PERSONALLY CAME BEFORE ME, the subscriber, a Notary Public for the State of Delaware,-- Martha Knowles Grant, party to the annexed application for Passport, known to me personally to be such, who being by me duly qualified according to law deposes and says as follows,--

I am the daughter of Henry Grant of the City of Wilmington, Delaware, and was born in New Castle County on October 24th, A.D. 1858. I was married to Nelson G. Bushnell of Franklin, Pennsylvania on May 18th, 1886. Immediately after my marriage I went to live in Franklin, Pa., with my husband where he was engaged in business. I was divorced from my said husband by decree of the Superior Court of the State of Delaware, for New Castle County, Feb'y. Term, 1898, the action for divorce being No. 18 to the November Term, 1897. By Special Act of the Legislature of the State of Delaware passed in April 1899, I was allowed to resume my maiden name, - Martha Knowles Grant by which name I have been known ever since.

My said husband was a native of Franklin, Pennsylvania but after our separation and divorce went to Ohio to live. I have not heard from him since directly nor indirectly and do not know whether he is living or dead.

Dear Sir:-

In reply to your favor of the 25th inst. in regard the passport of Steven Erdody, I beg state that Mr. Erdody landed in U. States in February 1891 but he can not recall the day of the month, in his first application I have made the error putting 1892 instead of 1891. There was an error made ^{de} also in his certificate of Naturalization his name being written Erdoti instead Erdody, this I had corrected by the County clerk, but as you desire a new certificate I procured a new one.

I again enclose \$ 1.00 registry fee and hoping that everything will be satisfactory I remain very respectfully yours

Department of State, Washington, D. C.

Dear Sir:-

The application of my son, *rich* Carl Adolph Beck, M. D., was rejected by the chief of the Passport Bureau on the ground, that it was not accompanied by a certificate of naturalization, although it was stated in the application that my son came to this Country as a child. So he is naturally a citizen of the United States since I - *his* father - am a Citizen.

You issued a passport for me the day before

the first application of my son was made. As a proof of my statement I beg to enclose your advice of June 29th. - You will find by this that you issued a passport to me - for the seventh time since I am in this Country.

May I therefore request you to issue the passport of my son without any further delay. My son is assistant to Professor von Bergmann in Berlin - the surgeon of His Majesty The Emperor - He needs his passport and that he needs it very much now is evident by the fact that this morning I received a cable from him demanding the passport - we postponed requesting you again

No.

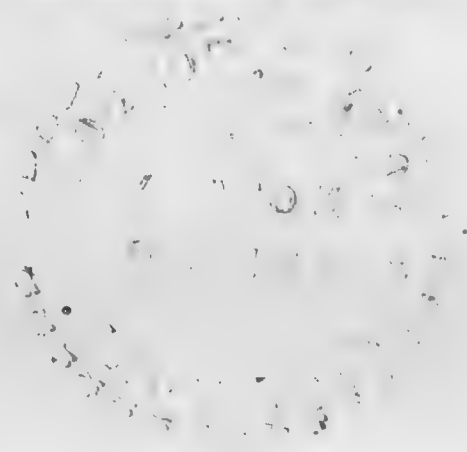

Fearing the trouble I intended to go to
Washington again where I am to read a paper
As far as my own standing is concerned I refer
you to Professor Harvey W. Wiley of the Dept. of
Agriculture and to Prof. Schoenfeld of
Columbian University.
The \$ I note is also enclosed.
Yours very respectfully
C. W. Wood K. D.

Dear Mr. Secretary:

A sister of mine, Flora Wilson, desires to travel in Mediterranean countries with a party of friends. She applied for a passport, but difficulty arises about finding the court record of my father's naturalization, which, to my certain knowledge, occurred somewhere near 1856. He voted for over forty years in our home neighborhood, where everybody knew all about everybody else's right to vote. I think perhaps the old court record, showing his naturalization, could be found, while the paper that he received from the Clerk of the District Court, it seems, cannot be found; it is somewhere in the family papers.

Will this statement justify you in ordering this passport, or must something further be done?

Very respectfully,

James Wilson

Hon. John Hay,
Secretary of State.

on this showing.

Secretary Hay will give her a strong letter of introduction to our diplomatic and consular officers.

Dear Mr. Hunt:-

Here is a letter from the Secretary of Agriculture requesting a passport for his sister, Miss Flora Wilson, who is about to join a party who intend to visit the Holy Land and other points in the East.

It seems that Miss Wilson was not born in this country but came to the country when a mere child, and that Secretary Wilson was present and saw her father's naturalization effected in Court. The lady, it appears, has made an effort to find the court record, but owing to the fact that the record is so old and has passed through many rugged frontier experiences she was unable to find it. This, however, is explained in the Secretary's letter.

I wish you would, if it can be done, issue a passport on this showing.

Secretary Hay will give her a strong letter of introduction to our diplomatic and consular officers.

Gentlemen

In reply to your favor of the 5th inst. in regard to application for a new passport of Theodor Martin Boettger we beg to inform you, that Mr. Boettger, whom we know for a number of years as a gentleman of high standing, says, that he knew nothing about the mutilation of his old passport, however the cutting off may have been done unintentionally by opening the envelope with a scissor.

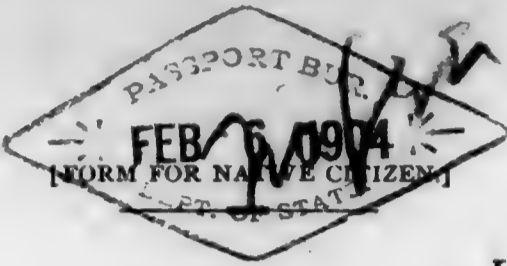

As far as we are informed Mr Boettger had no use for a passport since 1900 as he always secured his passage-ticket from us.

We enclose the application for a new Passport with \$1.00 currency and are

respectfully yours

Charles Schumacher, being first duly sworn, on oath deposes and says that in addition to the sworn statement of facts in his formal application for the passport hereto attached, he states that he appeared before the County Court of Effingham County, Illinois, and there made application for and took the oath required for naturalization, as a citizen of the United States; and that then and there was issued to him, by the Clerk of said Court, under the seal of said Court, a certificate of citizenship, of the United States; that affiant had in his possession said certificate for many years, but that afterward said certificate became lost. Affiant has made the most diligent and thorough search in every place where said certificate, or document would be likely to be found, but has been unable to find the same, and affiant is satisfied the same has been destroyed. That affiant has no written or documentary evidence of his naturalization in his possession, or knowledge, except what is found in the records of said court. Affiant has examined said records, and the certified copy thereof, to which this is attached, and he states that he, affiant, is the same identical person named therein, as "Charles Schumaker", who, on the thirty-first day of October, 1868, was granted his papers of naturalization. Affiant distinctly remembers that he appeared before said Court for his said papers, in the latter part of October, 1868, and that the time was immediately before the Presidential Election of that year, and that his purpose in applying at that time was to enable him to vote at said election. That affiant's name, as the same is correctly spelled, is "Charles Schumacher", and this is the way he always writes it, but that some people write it as "Charles Schumaker" and "Charles Shumaker." That affiant knows and never knew or heard of any person having his own name, or called by either of the names above given, except himself. Affiant further states that both the Judge and Clerk of said Court, at the time he

Affiant states that the name of one of his witnesses in affiant's proof before said Court, in the said matter, was Henry Brahmsteadt, who has long since died,--the name of the other witness affiant is unable to recall. Affiant and said witnesses at the time made the required affidavits for affiant's final papers of naturalization, and the same were left in the Clerk's office of said Court. Affiant has caused a search for said papers to be made, and is informed and believes the same cannot be found. And further affiant saith not.

Charles Schumacher

Subscribed and sworn to before me, John H. Martin, Clerk of the County Court of Effingham County, Illinois, the same being a Court of record, having a seal, by the above affiant, Charles Schumacher, this fifth day of February, A. D. 1904. I further certify that before the said affiant signed said instrument, the contents thereof were read over to him, and made known to him by me. I further certify that I am personally acquainted with said Charles Schumacher; that he is a credible person and worthy of belief. I further certify that I have searched my office for the affidavits which were required by law to be made in the naturalization of the affiant, in all places where the same should be, or were likely to be found, and after such search am unable to find them, or any of them.

In witness whereof, I have hereunto set my hand and the seal of said Court, this fifth day of February, 1904.

Jacob Zimmerman, being first duly sworn, on oath states that he is by profession a lawyer; that his place of residence is Altamont, in the Town of Mound, in the County aforesaid. Affiant now holds, and has for several years held, the office of State's Attorney in and for the said County of Effingham, and that he temporarily resides in the City of Effingham, in the same County of Effingham aforesaid, for the discharge of his official duties, and that his post office address is Effingham, Illinois.

Affiant further states that he has resided for the most of the time since the year 1837, in the said Town of Mound, in the County and State aforesaid. That since said year 1837 he has known and been well acquainted with one Charles Schumacher, who, affiant is informed, is about to apply to the State Department for a passport to visit the Holy Land. Affiant states that he and his father's family, since the year last aforesaid, were on very intimate terms with the said Charles Schumacher. We have often visited, attended the same church and Sunday School, and been in neighborly association. Affiant, when a boy, since the year aforesaid, lived with the said Charles Schumacher, and worked for him. Affiant further states that since the year aforesaid, the said Charles Schumacher has resided in the said Town of Mound aforesaid, near the City of Altamont, in the County aforesaid, and that his business has been and is that of Grain Dealer. Affiant states that said Schumacher is a man of high moral character and integrity, a man of truth, veracity, and worthy of belief. Affiant is unable to recall the name of any person having the name, "Charles Schumacher", or "Charles Schumaker," or "Charles Shumaker", except the person herein mentioned, "Charles Schumacher", referred to in this statement.

Benjamin B. Bloch, residing at Southeast Corner Tenth and South Streets, Philadelphia, being duly sworn according to law, while under oath deposes and says: that the reason for the discrepancy existing concerning his name, in the former passport and that which he at present seeks to obtain, is that subsequent to receiving his citizen papers, as also his first passport, he ascertained that there was another Benjamin Bloch in the city of Philadelphia; that he thereupon, in order to avoid any difficulties arising by reason of such similarity, made application to the court for the insertion of the middle "B", which having been granted thus made his name "Benjamin B. Bloch", and that he is the identical person who formerly had a passport under the name of "Benjamin Bloch, and further deponent saith not.

Sir:-

I am in receipt of your favor of Feb. 10th in which you return me the passport for Mrs. K. E. Meissner, #212 W. 82nd St., and in which you claim that her husband was not a naturalized citizen. I beg to refer you to the attached copy in which he claims having been in the United States six years before taking the oath of allegiance. The error was in filling out the application for passport, in which you can readily see that the date-filled out was the date of the arrival of his wife, and not himself. As stated above, I herewith attach sworn statement in which he alleges having been in the country six years prior to taking the oath of allegiance. As it seems to me to be only a clerical error in filling out the application, I wish you would forward me a passport granted, and oblige.

Yours respectfully,

P.S. I would have had the applicant make out a new blank, but as the party was compelled to sail to-day for Europe I could not obtain her signature, and therefore will be compelled to forward pass by next mail.

All communications to receive prompt attention should be addressed to the firm.

Correct Pedigree of Carl Meisner.

I do solemnly swear that I was born at Dresden, Saxony, on or about the 22nd of April, 1845; that I emigrated to the United States, sailing on board the S.S. Amsterdam, from Rotterdam, on or about March 4th, 1882; that I resided 22 years, uninterruptedly, in the United States, from 1882 to 1904, at New York City.

The blank which was filled out, and which you returned ^{me} to ~~us~~, is the Pedigree of my wife, Katherine E. Meisner.
